## STUDY COMMITTEE

### Lions Park Master Site Plan Study

The Township of Wilkins is looking for residents who are interested in serving on the Study Committee for the Lions Park Master Site Plan. This task will take about 8 months to complete and will require members to meet once per month for about an hour each month.

The purpose of the study is to determine the best new design for the park. What things should remain and what new things do we want? For example, right now there is a baseball field and a tennis court. Do we want to keep these? There is a walking trail that leads over to Cline Street. Do we want to expand this?

In addition to redesigning the features of the park, we are also interested in talking about moving the access road to Greensburg Pike and talking about acquiring additional property for the park.

If you are interested in serving on the Study Committee, please contact Rebecca Bradley, Township Manager at: 412-824-6650 x 10, or by email: [rbradley@wilkinstownship.com](mailto:rbradley@wilkinstownship.com).
